PORT ANGELES, WASHINGTON

WASHINGTON'S "WORKING GIRL" BOUTIQUE WINERY

Working Girl™ Wines

Working Girl White

A sassy little number ... this blend of Chardonnay & Riesling will ease the crankiness and stress of a long, sweltering day in pantyhose and pumps (not that we subject ourselves to either of those devil-spawned aberrations). This wine surprises you with its full-bodied, crisp floral blend that offers aromas of apples, tropical fruits & flavors of pears, sweet herbs and honey.

Go Girl Red

This easy drinking blend of Merlot and a handful of spicy treats (Merlot and Lemberger) is a lush little wine that has the power to turn a gunnysack into velvet! Bright, racy fruit including black cherries and a touch of spice makes this a smooth and pleasing wine.

Rosé the Riveter

Rosie Rocks! This semi-dry wine will change your mind about "blush" wines forever. This fruit forward rosé is perfect for a "carpet picnic" or "picnic on the beach." With crisp acidity and depth of flavor, this very versatile wine pairs perfectly with a turkey sandwich and a chocolate chip cookie. (Lemberger Rosé blend)

Handyman Red

The newest wine in the Working Girl series is dedicated to all the men in our lives that have bailed us out of daunting challenges (like broken-down winery equipment) and to all the men at the bar who've been asking for a Working Girl *Guy's* wine. Made in a big, bold Bordeaux style, this wine pairs equally well with cigar ... or chocolate for us ladies. (Cabernet Sauvignon, Merlot and Cabernet Franc)
